**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep competition in broadband. Comcast/xfinity are terrible and left to their own devices don't try to improve things at all. Sonic gives us internet and phone for \$50/month and none of the bigger guys come close. The bigger guys limit downloads and restrict Netflix. Please keep the competition alive and kicking.

Thanks,

Clyde Henderson
