Re: Applications of T-Mobile US, Inc. and Sprint Corporation for Consent to Transfer Control of Licenses and Authorizations, WT Docket No. 18-197

Dear Ms. Dortch:

Common Cause submits 6,000+ attached comments on behalf of its members opposed to the applications of T-Mobile US, Inc. (“T-Mobile”) and Sprint Corporation (“Sprint”) for consent to transfer control of licenses and authorizations. Common Cause members believe our democracy functions best when we have access to robust and affordable voice and broadband services. The T-Mobile/Sprint merger would reduce competition in the wireless market and lead to higher prices for wireless customers. Common Cause and its 1.2 million members and activist continue to urge the Commission to reject this merger.

Respectfully submitted,

/s Yosef Getachew
