RE: CC Docket No. 02-6; Request for Waiver

On behalf of Santa Maria Independent School District (BEN: 141685), VST Services, LP hereby requests a waiver of the Funding Year 2018 471 filing window for Application #181042325, certified on April 5, 2018.

The Federal Communications Commission has established precedent in multiple orders that applicants who met the 28-day mandatory competitive bidding window, and still filed their 471 applications within 14 days of the 471 filing deadline should be considered as properly submitted.¹

In this case, Appellant waited the mandatory 28-day competitive bidding period, and the 471 application was filed within a 14-day period after the close of the filing window on March 22, 2018.

We ask that the Commission waive the filing deadline for the application listed above and direct the Schools and Libraries Division of the Universal Service Administrative Company to process these application as “submitted within the window.”

Respectfully,

/s/ Russell Neal

Therefore...because the FCC Form 471 was filed within 14 days after the filing window deadline, we find it in the public interest to waive the FCC Form 471 deadline.”); *Anderson Elementary School Order*, DA 12-796, (WCB 2012) ¶ 2 (“We grant the 40 waiver requests...because those petitioners applications...were filed shortly after the filing window closed.”).
