REQUEST FOR WAIVER OF 471 APPLICATION DEADLINE

**Amana Academy, BEN: 16036803**

**FCCRN: 0027015817**

**471s: 181042595**

Amana Academy respectfully requests to augment the originally filed waiver of the 2018-19 Form 471 application deadline to include an additional funding request.

Amana Academy is a first time, in-house filer. We contacted different sources asking for guidance with this process however we were unaware of the specific due dates surrounding the 471-form submission. This has been a learning experience and each day we are growing more confident in understanding the process.

This funding is critical to support our fiber connection, allowing each student to utilize a device, in school, to expand their STEM learning experience and testing. Without this E-rate support, our school will be negatively impacted and instruction, specifically for social economic disadvantage children, will be harmed without access to fiber connectivity. Granting this waiver would be in the best interest of the school and the E-rate program.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 22, 2018. It will serve the best interest of Amana Academy students to ensure adequate connectivity and communications.

Respectfully submitted this 18th day of April, 2018.
