RE: CC Docket No. 02-6; Request for Waiver

On behalf of East Central School District (BEN: 141557), VST Services, LP hereby requests a waiver of the Funding Year 2018 471 filing window for Application #181042139, certified on March 29, 2018.

The Federal Communications Commission has established precedent in multiple orders that applicants who met the 28-day mandatory competitive bidding window, and still filed their 471 applications within 14 days of the 471 filing deadline should be considered as properly submitted.¹

In this case, Appellant waited the mandatory 28-day competitive bidding period, and the 471 application was filed within a 14-day period after the close of the filing window on March 22, 2018.

We ask that the Commission waive the filing deadline for the application listed above and direct the Schools and Libraries Division of the Universal Service Administrative Company to process these application as “submitted within the window.”

Respectfully,

/s/ Russell Neal
