	)	
For Universal Service Support	)	

**I-WIRELESS' FIRST AMENDED PETITION TO EXPAND  
ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION  
TO INCLUDE TRIBAL LANDS**

i-wireless, LLC (“i-Wireless”), by this filing, hereby amends its Petition to Expand its Designation as an Eligible Telecommunications Carrier (“ETC”) to include Tribal lands filed on April 7, 2019 (the “Petition”). Since i-Wireless inadvertently included the state of Massachusetts, it hereby amends the Petition to include Tribal lands only within the following states: Alabama, Connecticut, New York, North Carolina, and Virginia (“FCC-designated states”).<sup>1</sup> Therefore, by this Amendment, i-Wireless hereby deletes all references to the State of Massachusetts in the Petition.

In addition, i-Wireless also amends the Petition to correct its standard monthly Lifeline plans offered to residents of non-Tribal lands. These plans include the choice of either 1,000 airtime minutes, unlimited text messaging and 50 megabytes (MB) of mobile broadband Internet access service (“data”), or a plan with 2 gigabytes (GB) data only. This plan language replaces footnote 6 on page 4 of the Petition.

---

<sup>1</sup> In accordance with 47 C.F.R. § 54.202(c), i-Wireless is sending a copy of its Petition to the relevant tribal governments and tribal regulatory authorities.

Based on the foregoing, i-Wireless respectfully requests that the Commission promptly grant its Petition, as amended herein, to expand its designated service area to include Tribal lands in the States of Alabama, Connecticut, New York, North Carolina, and Virginia.

Respectfully submitted,
