RE: Docket #17-179 Sinclair and Tribune

To Whom It May Concern:

I write to protest the proposed merger of Sinclair and Tribune media. This move concentrates media in a monopoly that is contrary to diverse, democratic news reporting. Their propaganda is fake news that this country does not need.

I expect the FCC to protect the American public interest against such concentration of power, which is already much too prevalent. Do your job!

Sincerely,

Anna Bellisari
