

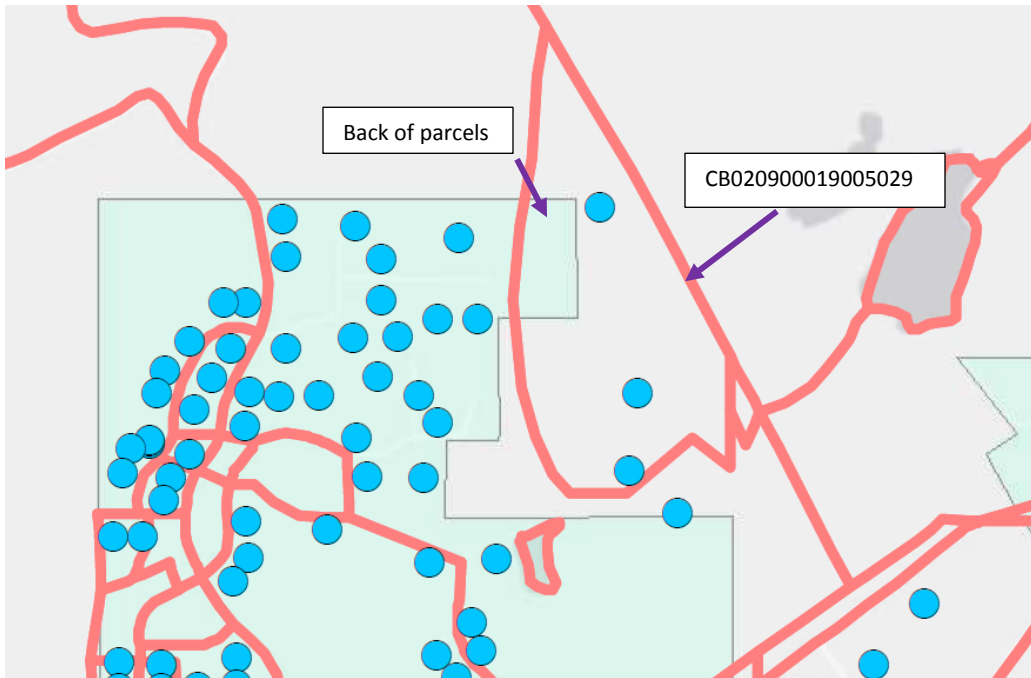

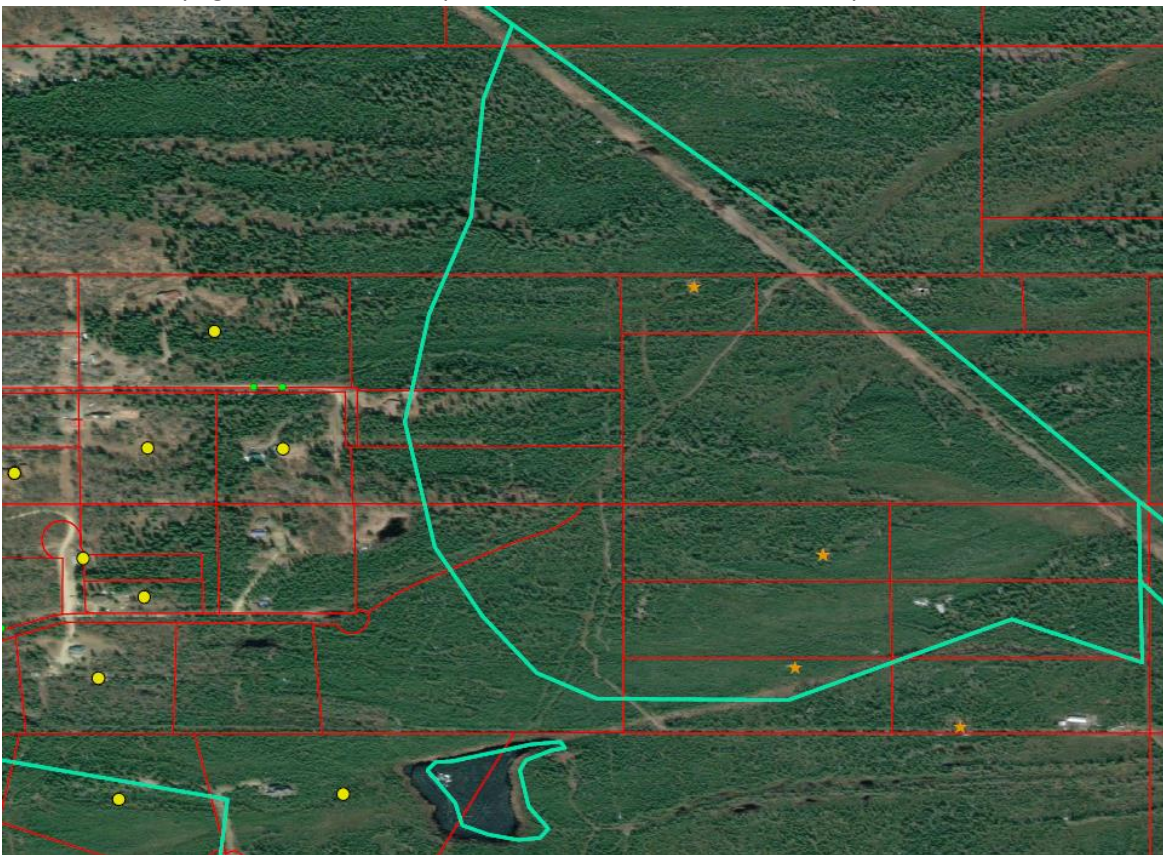

Exhibit 1

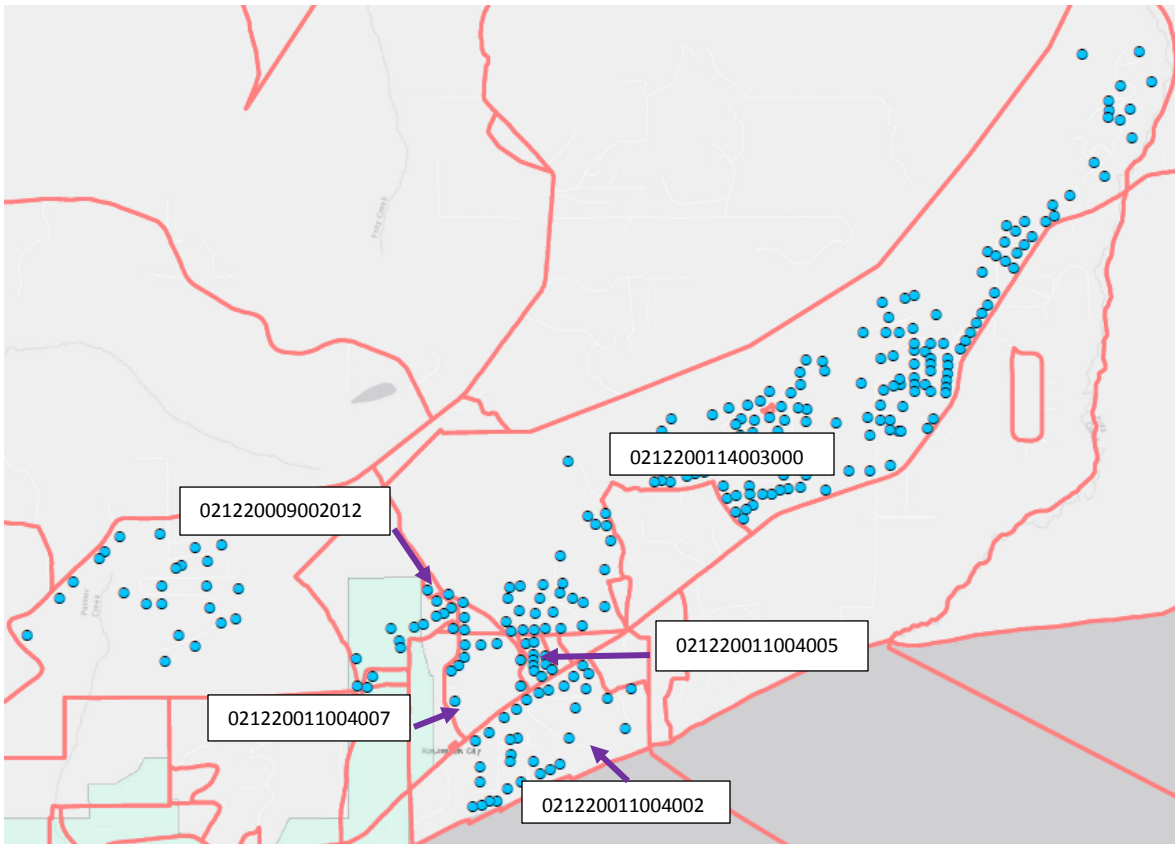

GCI Document page 34 Fairbanks Map 1 - boundaries based on back of parcel that falls into CB 020900019005029.

All ACS locations GCI did not challenge (orange stars), GCI is using parcel maps rather than actual nodes and coaxial routes presents a distorted serving boundary with vacant lot.

Exhibit 2

GCI Map Page 24 Homer Map 2

Example of 5 Census Blocks GCI maps reflects no service but 477 12-31-16 GCI shows service

ACS Additional Eligible Partially Served Locations based on GCI Maps
