Narrative

BACKGROUND: PCHS is upgrading from 1 Gbps service with LACOE to 5 Gbps, consistent with contract terms established by Form 470 #160025517 and contract awarded 5/12/16. This contract includes the option to upgrade during the contract's 3-year term. With the upgrade, LACOE includes a one-time installation fee of \$3500 for a new router installation.

As confirmed by LACOE via PIA and reduction notification response attachments, the router is C1 eligible customer premise equipment consistent with the Tennessee Test.

EXPECTED RESULT: USAC to issue RFDCL that includes funding for the \$3500 one-time charge for installation of the eligible LACOE CPE router.
