**Petition for Waiver of
FCC Form 472 Filing Deadline for Funding Year 2016
RE: FCC Form 472 134421**

I. INTRODUCTION AND SUMMARY

The Bottineau Public School serves low income kindergarten through Grade 12 children in rural North Dakota. The Bottineau Public School District was unable to submit the

AN EQUAL OPPORTUNITY EMPLOYER

Form 472 for the Funding Year 2016 due to a technical malfunction. Bottineau Public School opened a case with USAC (Case # 213728) on 1/3/2018. The case remained unresolved until 4/11/2018. The resolution date was after the submission deadline.

II. Request

The Bottineau Public School District respectfully petitions the Commission to request a waiver of the Funding Year 2016 FCC Form 472 filing deadline on behalf of the Bottineau Public School District to allow the Out of Window submission of their E-Rate Funding Year 2016 FCC Form 472, due to technical difficulties accessing and filing the form before the deadline. The technical difficulty was receiving a PIN from USAC that would allow the Bottineau Public School District access to the online FCC Form 472 for timely submission. The Bottineau Public School District submitted multiple requests for a PIN to USAC. A working PIN was received on 4/11/2018.

Respectfully submitted,
