Re: **CC Docket No. 02-6**

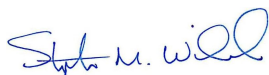

To Whom It May Concern,

Please accept this petition for a waiver for the For 471 filing deadline. We are a small, public school district and this responsibility was delegated to a staff member who was not familiar with the deadlines or the processes involved. I have taken the responsibilities on again, but we need a waiver in order to continue.

We are seeking reimbursement for voice and internet access only. There is only one voice service provider in our area, so competitive bidding is not necessary (nor is it required). We are in the final year of a five year agreement for internet access, so competitive bidding is not necessary (nor is it required) for this service either.

I apologize that we missed the deadline, but I am respectfully requesting a waiver to submit our Form 471

Sincerely,

Steve Wilder, Superintendent
