To whom it may concern:

It has come to my attention that our FORM 471 for Application # 180026122, has not been submitted. The deadline for filing form 471 was March 22, 2018. Pope Valley Union Elementary School District is asking that it be allowed to enter a late form 471 for the funding year 2018-2019.

Unfortunately, we were unaware of this mistake, and are seeking a remedy as soon as possible.
Without funding we will not be able to continue.

Sincerely,

Benjamin Casas
