RE: Waiver for Form 471 Filing Window

Terry Smith
Vice President

I am requesting a waiver for our filing of our Form 471. When I went to the EPC site to file our Form 471, it notified me that I had missed the filing deadline. I was thinking the end of the April was the close of the window instead of the end of March. I immediately contacted EPC consultant on Friday, 4-26-19. Derrick told me to go ahead and file the Form 471 which I completed today.

I apologize for missing the window, but Internet access for our students in Goodland is vital to their academic success and a strong, cost effective solution is critical. Please let me know if there is any other information you need.
