SUPPLEMENTAL JOINT STATEMENT

Pursuant to the Commission’s April 26, 2019 Order, PPL Electric Utilities Corporation (“PPL”) and MAW Communications, Inc. (“MAW”), through undersigned counsel, submit the following Supplemental Joint Statement regarding remaining discovery matters.

DISCOVERY ISSUES

MAW and PPL have no outstanding discovery issues for the Commission at this time.

PPL has agreed to allow MAW to narrow its First Set of Interrogatories, which sought identification of documents, in exchange for additional interrogatories; this agreement was suggested by PPL at the April 26, 2019 Status Conference and is in lieu of MAW’s request to PPL to identify which of PPL’s identified documents were responsive to which of all of MAW’s interrogatories. PPL will not seek depositions in this case and reserves its right to object to MAW’s newly propounded interrogatories.

Respectfully submitted,

PPL Electric Utilities Corporation
