Form 471 Application Number: 181042079

FRNs: 1899082180 and 1899082182

Date of Filing Form 471: March 28, 2018 (with FCC waiver of filing deadline, approved)

Date of FCDL: February 7, 2019

Date of Appeal: April 29, 2019

Appeal Number: 136573

Description: On April 29, 2019, we filed appeal # 136573 with USAC to appeal the denial of FRNs 1899082180 and 1899082182 due to an alleged overage with Category 2 budget. The appeal provided information regarding a Form 500, previously approved by USAC, which brings these FRNs into budget.

However, the April 29, 2019, appeal has been filed a few days late, due to ministerial and clerical error involving an oversight of the USAC appeal deadline, and also because we were required to focus on filing numerous FY2019 Forms 471 prior to the close of the FY19 filing window.

We ask that this appeal be accepted, and that the FRNs be approved as within budget.
