PS Docket Nos. 08-146,15-91, 15-94

Dear Ms. Dortch:

Based on recent clarifications contained in the Wireless Emergency Alerts ("WEA") Second Report and Order (FCC 18-4), and pursuant to Section 10.210 of the FCC's Rules, United States Cellular Corporation ("USCC") and all its subsidiaries, hereby update their WEA election status. USCC hereby advises the FCC of its election to participate "in part," as defined in Section 10.10(l) of the FCC's Rules, in the provision of WEA and agrees:

- (1) to transmit WEA messages in a manner consistent with the technical standards, protocols, procedures, and other technical requirements implemented by the FCC; and
- (2) to support the development and deployment of technology for the "C" interface, the CMS provider gateway, the CMS provider infrastructure, and mobile devices with WEA functionality and to support the CMS provider selected technology,

If there are questions, please contact the undersigned.

Respectfully submitted,
