**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am lucky to have a choice of two telecom/internet providers. The choice was easy, because one is Comcast, and I have had horrible experience with this provider. My current provider, TDS, provides excellent service; however, does not have one price for unlimited data. I live in a rural area in a town of 900 people. I hope that I will have the opportunity to choose a provider in the future like Sonic of the west coast. This is critical to my professional life, where I work from home. I am not afforded with pay increases to keep up with telecom/internet price increases and I hope that the FCC will assist us with this issue. I look forward to helping the FCC by directing my neighbors with the same communiques.

Thank you for reading.
