Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2018 Form 471 deadline so that our Form 471 E-rate application will be considered as having been filed within the 'window.'

Being new to the District Technology Coordinator position beginning on June 1, 2017, the new guidelines requiring Kentucky Department of Education approval of contracts before filing Form 471 were not a part of the process of which I was aware. The AT&T fiber contract has been approved by the Harrison County Board of Education and will be approved by the Kentucky Department of Education.

Thank you for your consideration of this request.

Respectfully submitted,

Belinda J. Maggard
