Re: Notification of Substantive Change, Telecommunications Relay Service and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket No. 03-123.

Dear Ms. Dortch:

This Notice of Substantive Change is being provided pursuant to 47 CFR § 64.606(f)(2) regarding a substantive change in Purple Communications, Inc. ("Purple") services and features.

Starting February 28, 2018, Purple is now offering as an accessory to customers a universal remote control. The remote control can be used with video phones to assist VRS users in accessing their contacts lists, initiating a VRS, dial-around, or point-to-point call, or simply navigating the features on their phones or other VRS devices.

Purple does not expect these changes to affect its compliance with applicable minimum standards.

Respectfully submitted,

PURPLE COMMUNICATIONS, INC.
