Re: Applications of T-Mobile US, Inc. and Sprint Corporation for Consent to Transfer Control of Licenses and Authorizations; WT Docket No. 18-197

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206(b), notice is hereby provided of oral *ex parte* presentation in the above-referenced docket. On April 26, 2019, Kathleen Ham, Senior Vice President, Government Affairs of T-Mobile US, Inc. ("T-Mobile"), Vonya McCann, Senior Vice President-Government Affairs of Sprint Corporation ("Sprint," and collectively with T-Mobile, "Applicants"), and other representatives of T-Mobile and Sprint¹ had a telephone call with Matthew Berry, Chief of Staff to Chairman Ajit Pai. During the call, the representatives reviewed the New T-Mobile 5G network build plan—including plans to expand mid-band spectrum deployment to rural areas—as detailed in their network model and various filings previously submitted in this docket. They also discussed how the New T-Mobile 5G network will create the opportunity for launch of an in-home broadband service designed to go head-to-head with wired broadband, as also detailed in the Applicants' prior filings.

Please direct any questions regarding the foregoing to the undersigned.

Respectfully submitted,

DLA Piper LLP (US)
