FCC Seeks Comment on Waiver of Part 25 Licensing Requirement for Receive-Only Earth Stations Operating with the Galileo Radionavigation-Satellite Service; IB Docket No. 17-16.

Dear Ms. Dortch:

On April 26, 2018, James Kirkland, Senior Vice President and General Counsel of Trimble Inc. (“Trimble”), and the undersigned counsel met with Will Adams, Legal Advisor to Commissioner Carr, and with Umair Javed, Legal Advisor to Commissioner Rosenworcel, regarding the above-referenced matters concerning (what is now) Ligado Networks (“Ligado”). We discussed the terms of the Settlement Agreement between Ligado and Trimble (a copy of which was previously submitted to the record in these proceedings) and stated that we are pleased to continue to work with Commission staff, if required, to address any technical issues or questions with regard to the matters addressed in that Agreement.

Pursuant to the Commission’s rules, a copy of this letter is being sent to all Commission staff with whom we met.

Sincerely,

/s/ *Russell H. Fox*
