Re: *Connect America Fund*, WC Docket No. 10-90
Notice of *ex parte* presentation

Dear Ms. Dortch:

On April 26, 2019, the undersigned, along with Matthew Murchison of Latham & Watkins LLP and Christopher Murphy of Viasat, Inc., spoke by telephone with Suzanne Yelen of the Wireline Competition Bureau regarding testing methodologies to ensure the delivery of voice service that meets existing Commission quality standards for supported services and systems to be implemented in the future by Viasat and other support recipients under the Commission's high-cost support programs. During the discussion, we reiterated points made in Viasat's submissions of April 3¹ and April 11² in the above-referenced proceeding, and urged the Commission to grant the requested clarifications of the *Performance Metrics Order*³ as set forth in those filings.

Please contact the undersigned with any questions regarding this submission.

Respectfully submitted,

/s/

John P. Janka
Counsel for Viasat, Inc.
