Sacred Heart School respectfully requests a Waiver of the Filing Window for filing form 471, reference above.

We did not receive any bids for the category 2 - 470 application. I started to fill out a 471 but without any bids, I could not complete it. I called around and asked a nearby school whom they call for quotes. I called CDW Government LLC. After our committee reviewed and agreed to the disbursement, I completed and certified the 471 for category 2. Upon certification, the confirmation printed "TO REQUEST A WAIVER OF THE FILING WINDOW DEADLINE".

Being a small school with limited funds and not being able to hire a consultant, we are respectfully requesting a WAIVER OF THE FILING WINDOW from the FCC to allow USAC to consider our form 471 – category 2 for funding for the FY 2019. Thank You.
