Subject: Docket No. 02-6 – Waiver of Form 471 Filing

To Whom It May Concern,

This letter is a request for a waiver for our erate funding for the year 2019-2020. Salem School District received erate funding for phone service for over ten years. We have also received funding for our website expenses. We currently use erate funding to offset the cost of our network access. Unfortunately, we missed the filing deadline for the form 471 for the 2019-2020 year. The first form 470 that was filed for 2019-2020 was incorrect. When we refiled the second form 470 correctly, the 28 day waiting period put us past the due date for the form 471. Our billed entity number is 122468. The Form 471 application number is 191042237.

The erate funding is very important to our district. As I am sure you know, school districts often have very limited funding in this economy, so our erate funding is very important to us.

We would appreciate it if you would please issue a waiver for the forms being filled outside the required filing window.

We appreciate your help. Please let me know if you need any other information.

Regards,

Kim Gadaree  
Business Manager
