On May 1, 2019, the foregoing, in addition to Keith Murphy of Viacom Inc., participated in meetings with Bill Davenport of Commissioner Starks' office, Erin McGrath of Commissioner O'Rielly's office, and Umair Javed of Commissioner Rosenworcel's office. The foregoing companies participate in the above-captioned proceeding as the "Content Companies."

The Content Companies described the types of safeguards necessary to preserve this video distribution system and the benefits it provides to the American public. The specific points raised by the Content Companies are reflected in the attached document, which was provided to participants.

Please direct any questions to the undersigned.

Sincerely,
