USAC
Form 471 Waiver

Re: BEN # 3061 Jewish Community Day School of RI
Application # 181042753
Funding Year 2018
Category 1
Funding Request for FRN # 1899083500

With reference to the above we are requesting a waiver for filing Form 471 on a timely manner. We are a non-profit Jewish Day School in RI. In May 2017, our domain, website and emails were hacked by an International group of illegal people. Because of this we faced several difficulties and are still facing a lot of day to day problems. Because of this hack, all our emails .org were taken over and we had to create all new domains, websites and emails .com. (Basically change from .org to .com)

Because of this we have lost our on several communications from USC and many such organizations. It has taken us a year and we are still finding out that we are missing important communications like USC newsletters and deadlines.

We are therefore requesting you to grant us a waiver because of our situation.

You can see in the past 2 years, we have always filed all documents on time or before time.

We are a non-profit school and every dollar saved in expenses and received in grants/ funding goes towards the betterment of education of our students.

I am humbly requesting you to grant us this waiver and allow our Form 471 to be accepted and grant us funding of \$792 (\$66 *12 months)

If you have any questions, I can be reached via email hlakhiani@jcdsri.com

Thank you,
