Proceeding No.	02-6

### Appeal Explanation:

We are requesting a waiver of the E-rate rule to submit appeals within 60 days of the date of the decision letter being appealed.

On behalf of Flemington-Raritan School District, an appeal was submitted in the EPC portal on 9/1/17 in response to the Funding Commitment Decision Letter dated 8/4/17, whereby an allowable RAL request submitted 5/17/17 was denied. Previously USAC personnel confirmed record of this appeal on 10/16/17 but that is an appeal created under the category 2 application. USAC personnel are now claiming there is no record of this submission.

For this reason, this appeal is being submitted in the EPC portal once more so that it properly can be reviewed and a decision made with the best interests of the school and students in mind. This appeal was again originally submitted within the 60 day deadline.

We request that the FCC honor this request for waiver so that the submitted USAC appeal is properly reviewed and arguments considered.

Sincerely,

Tiffany Bullion
