FY 2018 Form 471 Application #: 181041881

Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2018 Form 471 deadline so that our Form 471 E-rate application will be considered as having been filed within the 'window.'

Reason for submitting late: The agreements was bid properly and signed according to E-Rate rules. The contracts were both signed before the March 22 deadline. However, it took additional time to get the detailed information required by the EPC system. The 471 was created on March 24 and certified on March 29.

Not receiving the E-Rate funding will substantially impact the operation budget of Falmouth Academy. The students should not suffer because of my oversight.

I request that the 471 be considered as having been filed within the window.

We realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days of the Form 471 deadline. In light of the reasons stated above, we respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky, E-Rate Manager
