Sinclair has used required programming to push conservative messages into its local broadcasts.

Please do not approve the \$3.9 billion buyout of Tribune Media which would add 42 more local television stations to Sinclair's quiver including Chicago, L.A., and New York.

- Resist the merger of Tribune media-

The company is awaiting Federal approval of a proposed \$3.9 billion buyout of Tribune Media, which would add 42 more local TV stations to its quiver. FCC rules limit single station owners from reaching 39% of the national TV audience & prohibiting ownership of more than two stations in most TV markets. Sinclair recently used "must run" segments to push station promotions, Sinclair has used required programming to push conservative-leaning stances into local broadcasts. Thank you
The merger must be resisted.
