RE: CC Docket No. 02-6; Request for Waiver

On behalf of Birdville Independent School District (BEN 140895), VST Services, LP hereby requests a waiver of the Funding Year 2019 471 filing window for Application #191041977, certified on April 9, 2019.

The Federal Communications Commission has established precedent in multiple orders (*Acorn Public Library District Order*,¹ *Academy of Math and Science Order*,² *Anderson Elementary School Order*³) that applicants that filed their 471 applications within 14 days of the 471 filing deadline have filed their applications close enough to the filing window that their applications should be considered timely submitted. In the *Academy of Math and Science Order*, the Commission found that applicants that filed their applications within 14 days of the deadline for filing had satisfied the Commission's requirement to show special circumstances.⁴ The Commission also found that applications that were filed within 14 days were filed close enough to the deadline so as not to impair the administration of the program.⁵

Birdville Independent School District filed its 471 application on April 9, 2019, which was within 14 days of the filing window deadline of March 27, 2019. See attached FCC Form

¹ *Requests for Waiver and Review of Decisions by the Universal Service Administrator by Acorn Public Library District, et al.*, CC Docket No. 02-6, Order, 23 FCC Rcd 15474, ¶ 5 (WCB 2008) (establishing that submission of a 471 application within 14 days is a procedural and not a substantive violation. "Therefore...because the FCC Form 471 was filed within 14 days after the filing window deadline, we find it in the public interest to waive the FCC Form 471 deadline.").

² *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Academy of Math & Science, et al.*, CC Docket No. 02-6, Order, 25 FCC Rcd 9256, 9259-60, ¶¶ 8-9 (2010).

³ *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Anderson Elementary School, et al.*, CC Docket No. 02-6, Order, FCC Rcd 5319, 5319-20, ¶ 2 (WCB 2012) ("We grant the 40 waiver requests...because those petitioners' applications...were filed shortly after the filing window closed.").

⁴ *Academy of Math & Science*, FCC Rcd at 9259-60, ¶¶ 8-9 (2010).

⁵ *Id.*

471 #191041977 confirmation of filing. Birdville Independent School District believes it has followed the rest of the Commission's program rules in submitting this application.

We therefore respectfully ask that the Commission waive the requirement that the application be filed by the filing deadline for the application listed above and direct the Schools and Libraries Division of the Universal Service Administrative Company to process this application as "submitted within the window."

Respectfully,

/s/ Russell Neal
