**COMMENT ON PETITION FOR
RULEMAKING
TO FURTHER AM REVITALIZATION**

Houston Christian Broadcasters, Inc. ("HCBI") hereby submits this comment in support of the Bryan Broadcasting Corporation ("BBC") Petition for Rulemaking urging the Federal Communications Commission ("Commission") to initiate a proceeding to authorize the MA3 all-digital mode of HD radio for any electing AM station. HCBI submits that permitting such modernization would give AM broadcasters a needed innovative tool with which to compete without impairing other competitors in the broadcasting industry.

Respectfully submitted,

Houston Christian Broadcasters, Inc.
