FY 2017 Form 471 Application #: 171039334

Dear Ms. Dortch,

This FY2017 Form 471 application # 171039334 was approved and funded on 8-18-2017 without any consultation or inquiry by a PIA Reviewer.

In the process of issuing the original funding, the Reviewer subtracted Line Item 2 of FRN 1799088234 for Biddeford Middle School (1799088234.002) and created a NEW FRN as 1799112707, again without any consultation or inquiry.

Line Item 2 of FRN 1799088234 for Biddeford Middle School (1799088234.002) is very clearly a 3 year license fee which is eligible under the category of Internal Connections and this category was covered by the FY2017 Form 470 # 170061241 filed for Biddeford for Category 2.

I asked that the SLD eliminate or omit the NEWLY created FRN of 1799112707, and return those funds (\$1,123.44 pre-discount = \$898.75 awarded) to Line Item 2 of FRN 1799088234 for Biddeford Middle School (1799088234.002).

BUT--the NEWLY created FRN 1799112707 was deleted on the RFCDL issued on 3-31-2018 without adding the funds back into Line Item 2 of FRN 1799088234. I thought that perhaps a subsequent RFCDL would be released that added these funds back into Line Item 2 of FRN 1799088234 but that has not happened.

I respectfully request that you make the following corrections:

1—DELETE the newly created FRN 1799112707. This has already been done by the SLD, as it was deleted on the RFCDL issued 3-31-2018

2—RETURN that funding on FRN 1799112707 (\$1,123.44 pre-discount = \$898.75 awarded) back into Line Item 2 of FRN 1799088234 thus RESTORING FRN 1799088234 to its original requested amount (\$9,933.34 pre-discount = \$7,946.67 awarded).

Thank you for your consideration of our request
Respectfully submitted,
