**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like the opportunity to have as many choices for Internet access as possible. Right now I use a provider called Sonic.net in California. There are other small carriers in Oregon, Missouri and elsewhere that give give better service and pricing and give consumers a real choice. Please do not let the big companies like Comcast and AT&T convince you that this kind of choice is no longer desirable. Please keep the Internet free of monopolies and duopolies that limit our choices.

Thank you
