To Whom It May Concern;

Gordon Parks Elementary is requesting a waiver for the Form 471 #191042319 for FY2019. At the time of the filing, the COO /authorized person was absent due medical reasons. I was in New York receiving brain surgery for a tumor at Memorial Sloan Kettering Hospital. I am happy to provide documentation you may need to confirm this.

I have recently returned to the office and have filed the Form 471 for FY 19.

Pleas let me know what additional steps we need to take.
