**COMMENTS OF KENTUCKY MOUNTAIN BIBLE COLLEGE**

Kentucky Mountain Bible College hereby submits comments in support of the above-captioned Petition for Rulemaking (the “Petition”) filed by Bryan Broadcasting Corporation (“BBC”) urging the Commission to initiate a rulemaking proceeding to authorize the voluntary transition to the MA3 all-digital mode of HD radio for AM broadcast radio stations. Kentucky Mountain Bible College is the licensee of AM station WBFC in Stanton, Kentucky.

Kentucky Mountain Bible College fully supports the BBC Petition to allow AM radio stations to broadcast all-digital using the HD Radio MA3 mode. Permitting AM stations to take advantage of all-digital operations using the MA3 mode will provide a future tool for AM stations to use as a platform to compete in their markets.

Respectfully submitted,

**Kentucky Mountain Bible College**
