Introduction and Background

On about March 15, 2016, Gold Consulting filed the form 471s on behalf of Beth Chana School for Girls. The school had selected Central Telecom Group Inc. as their provider for their telecom and internet services of funding year 2016. Before July of 2016, the school was notified by a representative of Central Telecom Group Inc. that they will no longer provide any services. They also informed the school that part of their company was bought off by a company with name of: Top Quality Communication. It was the school's decision to use Top Quality Communication
