To: Honorable Walter C. Miller
Administrative Law Judge

JOINT MOTION FOR EXTENSION OF TIME

Jupiter Broadcasting, Corp. and Robert B. Taylor request that the time for filing preliminary engineering in this proceeding be extended to Friday August 14, 1992. In support of this request, the parties submit that they have been actively engaged in discovery in this proceeding. The work involved has prevented them from obtaining the engineering in time to be exchanged on August 4, 1992. Accordingly, it is requested that the date for filing preliminary engineering be extended to August 14, 1992.

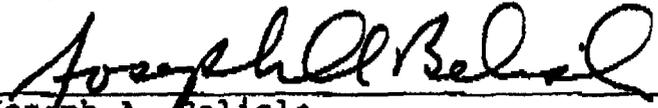

Pursuant to Rule 1.46(C), all parties and the Presiding Administrative Law Judge have been notified of the filing of this Motion. The Mass Media Bureau has indicated that it will not object to the requested extension.
