RE: In the Matter of 2018 Quadrennial Regulatory Review – Docket 18-349

Dear Ms. Dortch:

On May 13, 2019, Mr. Ronald Cohen of CRC Broadcasting Corp. and CRC Media West, LLC, (collectively, "CRC") met with Mr. Alex Sanjenis, Chairman Pai's Media Advisor, to discuss the 2018 Quadrennial Review and in particular the pending proposals regarding radio market ownership subcaps. Mr. Anthony Lepore, counsel for CRC, participated by telephone in the meeting.

In the meeting, Mr. Cohen expressed to Mr. Sanjenis his appreciation of the Commission's *AM Revitalization* proceeding and the opportunity it provided small group and single station AM owners the ability to better compete in the radio landscape. The discussion then moved onto the issue of large groups acquiring more than 5 FMs in any market (under any scenario being proposed) and the adverse effect such a change would make on AM stations, in particular adverse changes in diversity of ownership and viewpoint, and in diminishment of AM station valuations.

Mr. Sanjenis briefly discussed the timeline of the quadrennial review process and thanked Mr. Cohen for his comments on the matter.

This notice is filed pursuant to FCC Rule 1.1206; please contact the undersigned with any questions regarding this matter.

Respectfully submitted,

/s/ Anthony T. Lepore
