Re: Applications of T-Mobile US, Inc. and Sprint Corporation for Consent to Transfer Control of Licenses and Authorizations; WT Docket No. 18-197

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's Rules, 47 C.F.R. § 1.1206(b), notice is hereby provided of oral *ex parte* presentations in the above-referenced docket. On May 13, 2019, Mike Sievert, President and Chief Operating Officer of T-Mobile US, Inc. ("T-Mobile"), Peter Ewens, Executive Vice President, Corporate Strategy of T-Mobile, David Miller, General Counsel of T-Mobile, Kathleen Ham, Senior Vice President, Government Affairs of T-Mobile, Vonya McCann, Senior Vice President-Government Affairs of Sprint Corporation ("Sprint," and collectively with T-Mobile, "Applicants"), and other representatives of the Applicants¹ met with Matthew Berry, Chief of Staff to Chairman Ajit Pai, and members of the T-Mobile/Sprint Transaction Team identified in Attachment A. During the meeting, the representatives of the Applicants reviewed the proposed plans for building the New T-Mobile nationwide 5G network, extending 5G services to rural areas, launching an in-home broadband service, and the merged company's approach to MVNO agreements post-merger. With respect to in-home broadband, the representatives discussed the anticipated speeds of their proposed service and their methodology for deriving their estimates of supported households. The representatives also discussed competition among providers of lower priced plans. Finally, the representatives explained the economics of their MVNO agreements and New T-Mobile's incentives to compete fiercely with MVNOs for customers.

¹ These other representatives included R. Michael Senkowski and the undersigned (by telephone) of DLA Piper LLP, Mark Nelson of Cleary Gottlieb Steen & Hamilton, LLP, and Sam Feder of Jenner & Block LLP.

Ms. Marlene H. Dortch
