Dear Ms. Monteith,

The Middleburgh Telephone Company (Study Area Code 150105) hereby provides the FCC with notice of its intent to discontinue offering Wireline Broadband Internet Access Service (WBIAS) on a tariffed basis. Effective July 2, 2019, the Company plans to offer WBIAS on a permissive detariffed, common carriage basis in our Middleburgh, Schoharie and Bramanville exchanges, where WBIAS is technically feasible. Our customer notice is also attached for your records.

The affiliates purchases WBIAS for use as a component in its broadband Internet service sold to residential and business customers. The discontinuance of the tariff offerings of WBIAS will have no effect on the end user service provided by the affiliates.
