IMPORTANT: Service Discontinuance Notification for:  
Account #: «BILLABLE\_ACCOUNT\_ID»  
Service Location: «SERVICE\_ADDRESS»  
**This Change in Service Requires Action on Your Part**

Dear Valued Customer,

Because your business matters to us, we wanted to provide advance notification of an important change being made for services in your area.

**Our underlying provider will no longer be offering the type of facilities that support Certain Ancillary Local Services, Ethernet over Copper Local Service, ISDN, Private Line and PBX trunk services in certain areas effective July 1, 2019.** As a result, customers in the following areas will have these services retired on or about June 28, 2019: Framingham, Leominster and Taunton, MA; Brentwood, Mt Vernon and West Seneca, NY; Conshohocken and Lansdale, PA; and Narragansett and Providence, RI. Please note, this notification does not affect other services you may have with Windstream.

The change requires action on your part. An Account Representative will be contacting you shortly to make you aware of your options and assist you in any way possible to ensure a smooth transition prior to the service retirement. **To avoid service interruption, we encourage you to meet with your Account Representative immediately to explore an alternative service solution with Windstream. Failure to make arrangements for an alternative service effective July 1, 2019 may result in permanent service termination or insufficient time to transition to a replacement service, with no immediate restoral options.**

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Windstream Services, LLC. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

Thank you for your time and attention to this important matter. If you have any questions, please contact us at «Care».

Regards,  
Customer Care
