Ed,

RE: FRN 17236291 HCP 11386 South Peninsula Hospital

The main purpose of this funding request is to cover the remaining time the existing contract will be in place from 7-1-17 to 2-8-18, we expect a new contract to take effect on 2-9-18.

The existing contract was deemed evergreen, however USAC placed an expiration date on the contract that did not match the service date.

I have included the 2 proposals we received for the current contract, South Peninsula Hospital only had 2 respondents to the request for service.

Thank you for your consideration in this matter
Ramon

Hello,

South Peninsula Hospital received a denial of funding letter with the claim "HCP was non-responsive to an information request."

Any information request should have been routed to me, I have checked my mailbox and spam filter for any such request and can find none.

I have also checked the USAC portal, there is no listing for an information request for FRN 17236291

I stand ready to provide any information as needed, please advise.

Thank you for your consideration
Ramon
