Dear Ms. Dortch:

Pursuant to the *Wireline Broadband Order*<sup>1</sup>, Mediapolis Telephone Company d/b/a MTC Technologies, files the enclosed notice of its intent to discontinue its wireline broadband access service offering under NECA Tariff No. 5 effective July 2, 2019. MTC will provide Digital Subscriber Line Service on a de-tariffed common carrier basis effective July 2, 2019.

MTC has notified its current affected customers per the attached memo dated May 14, 2019. The geographic area MTC serves includes the towns of Mediapolis, Kingston, and Dodgeville and surrounding areas of its own telephone exchanges. Effective July 2, 2019, the terms and conditions under which DSL will be offered by MTC will be posted for public inspection on its website at <http://www.mtctech.net/> and a physical copy of the offerings will be available at its office, located at 652 Main Street, PO Box 398, Mediapolis, IA 52637.
