The Honorable Ajit Pai
Chairman, Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Dear Chairman Pai:

I am concerned following recent and disturbing reports that Sinclair Broadcast Group (Sinclair) required local news anchors at Sinclair-owned television stations across the country to deliver a scripted promotional message on-air. If approved, the proposed merger between Sinclair and Tribune Media Company (Tribune) would allow the combined company to influence programming reaching 72 percent of households nationwide. In making its determination whether the proposed merger serves the public interest, I urge the FCC to carefully consider Sinclair's conduct and the significant harm it poses to local news organizations and the diverse interests of the viewers that they serve.

While recent reports served as a stark example, this is not the first time Sinclair has required local news anchors to deliver corporate-scripted messages, in some cases, reportedly while under the threat of employment consequences. Further, Sinclair's troubling history of mandating content does not end with Sinclair-owned stations. By constructing purchase agreements that allow it to remotely control stations, Sinclair has been able to exploit media ownership limit loopholes to dictate content to divested stations. Of special concern, Sinclair already has announced such a purchase agreement for WGN-TV Chicago as part of its proposed merger with Tribune.

The interests of local audiences cannot help but be harmed when their trusted local reporters are required to deliver corporate-scripted messages—at times without providing a disclaimer of their source—or forgo covering salient local news to deliver mandated national content. Unfortunately, this is Sinclair's record.

In making its determination whether the proposed merger to allow a single company to reach 72 percent of U.S. television households serves the public interest, I urge the FCC to carefully consider Sinclair's conduct and the significant harm it poses.

Sincerely,

THE CHAIRMAN

The Honorable Richard J. Durbin
United States Senate
711 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Durbin:

Thank you for your letter regarding Sinclair Broadcast Group's proposal to acquire Tribune Media. You highlight certain concerns in your letter and ask that the proposed merger be given careful consideration.

I can assure you that Commission staff will review the transaction, including all recent filings, to ensure that it complies with all applicable laws. Moreover, the Commission's informal 180-day shot clock has been paused since January 4, 2018, because we have not had adequate information upon which to base a decision on the proposed transfer of control.

I appreciate your interest in this matter. Your views are very important and will be entered into the record of the proceeding and considered as part of the Commission's review. Please let me know if I can be of any further assistance.

Sincerely,
