Re: Implementation of Section 621(a) of the Cable Communications Policy Act of 1984; MB Docket No. 05-311; FCC18-131

Dear Sir or Madam,

I am writing to ask that you not allow cable companies to deduct in kind contributions from the cable franchise fee paid to our local PEG access stations. This will reduce the funds available to our local station which we depend on for vital information regarding our candidates for election and the issues we vote on at Town Meeting, PTA, and the Zoning Board.

Voter information is vital to our democratic process at all levels. Please take these matters into account as you decide on the cable industry request.

Sincerely yours,
