Federal Communication Commission

I am requesting a waiver of the e-rate form 471 filing window deadline. Actual funding for the 2017-2018 year was late (did not appear until April 2018) and so I spent time tracking down when those funds would be received. Consequently I missed the original deadline. I would like to move my window for E-rate funding. Form 471 is now complete and I am just awaiting the granting of this waiver. I appreciate your consideration.

Sincerely,

Riley A. Moreland
