**RE: CC Docket No. 02-6 – Appeal/Waiver Request**

ENA Services, LLC (SPIN 143030857) requests an appeal and/or waiver of the Funding Year 2017 adverse appeal decision based on the appeal that South Dearborn Comm Sch Corp filed for Form 471 #171031202. ENA Services, LLC is the Service Provider for South Dearborn's Managed Internal Broadband Services (MIBS) FRN #1799067910.

The Funding Commitment Decision Letter for Funding Year 2017 indicated the denial of FRN 1799067910 was due to:

DR1: The documentation provided did not sufficiently demonstrate the eligibility for discounts for the following item according to Program rules: Managed and leased from a third party service provider.

A Revised Funding Commitment Decision Letter (RFCDL) was issued on 3/27/2018 which contained conflicting information regarding the appeal. The RFCDL indicated:

Post Comment Decision (FRN Level) – **Approved**

Post-Commitment Rationale (FRN Level) – **Your appeal has brought forward persuasive information that the funding request should be approved for funding.**

Revised FRN Funding Decision – **Denied**

ENA opened a case with USAC (Case #232368) on 3/28/18 asking for clarification regarding the conflicting information on the RFCDL. In discussions with USAC, it appears there may have been a system error resulting in the erroneous denial of the FRN. The case has been escalated within USAC. In calling to inquire regarding the status of the case, the only updates provided are that it has been escalated to the appropriate management level.

As the deadline to appeal to the FCC is approaching and there is no resolution regarding this matter, we respectfully request the FCC review this matter and fund this FRN. All PIA questions have been answered and it appears USAC meant to fund the FRN but due to a system glitch the FRN was denied.

As the vendor for this FRN, we would like the opportunity to provide additional vendor documentation that may be needed or answer any additional questions regarding this appeal/waiver request.

Included with this request are:

- Revised Funding Commitment Decision Letter issued by USAC on 3/27/2018
- Appeal # 79447 filed by South Dearborn Comm Sch Corp on 10/23/2017

Respectfully,

A handwritten signature in black ink, appearing to read 'April Scott', with a long horizontal flourish extending to the right.

### Narrative

Test under appeal: DR1: The documentation provided did not sufficiently demonstrate the eligibility for discounts for the following item according to Program rules: Managed and leased from a third party service provider.

This is an appeal of the determination that the documentation provided did not sufficiently demonstrate the eligibility for discounts - 471 application #171031202 FRN 1799067910. We have attached three documents available to the reviewer: DOCUMENT #1: the contract uploaded to EPC for this service and referred to in the Funding Request on the FCC Form 471 (EPC Contract 20743 2015-2020 ENA Air Managed Services.pdf); DOCUMENT #2: the PIA question and response (South Dearborn CSC MANaged - #171031202.pdf); and DOCUMENT #3: the supporting documentation uploaded to the PIA response (Email from ENA for South Dearborn.pdf). Please note that we requested to be contacted with any additional questions or concerns. There were no further reviewer requests.

We request that USAC reevaluate the funding requested in FRN 1799067910 and approve the requested \$27,342.00. Thank you for your consideration.
