This is a request for a Waiver/Appeal of the USAC designation for
SKYLINE MATH AND SCIENCE ACADEMY

Waiver/Appeal Request Detail:

471 Out of Window Certification - Funding Year 2019

Date Submitted: 4/4/2019

Date Certified: 4/4/2019

Form 471 Information: 191033453

Funding Request Number(s): 1999076507

TOTAL Dollar Amount for FRN reimbursement: \$12,706.63

FCDL Date: N/A

Service Provider Name: Airespring, Inc

Service Provider Identification Number: 143029426

Rationale for this Request:

During the FY2019 Erate filing window, we experienced extended delays in having USAC set up the above-referenced, new BEN and to assign our consultant as required by the EPC system. As

a result, the required filing windows had closed before we could complete the application process. Please see cases: 265799, 265952, and 266677.

Please note that the school acted appropriately and in good faith to abide by all SLD program guidelines, and our Form 471 191033453 was filed on 04/04/2019.

We respectfully request an Out-Of-Window Waiver to be granted to the above-referenced entity and that USAC be directed to review our application for funding during the Funding Year 2019.

We look forward to your approval of our request in the near future. Please feel free to contact me at any time should you have questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Abdirahman Abdulle', written over a horizontal line.
