FY 2019 Form 471 Application#: 191042055

Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2019 Form 471 deadline so that our Form 471 E-Rate application will be considered as having been filed within the 'window.'

Reason for submitting late: The agreement was bid properly and signed according to E-Rate rules. The contract was signed before the March 27 deadline. However, it took additional time to get the detailed information required by the EPC system. Gathering the information was also complicated by Spring Break occurring during that time. The 471 was certified on April 10.

Not receiving the E-Rate funding will substantially impact the operation budget of First Coast Christian School. The students should not suffer because of my oversight.

I request that the 471 be considered as having been filed within the window.

We realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days after the Form 471 deadline. In light of the reasons stated above, we respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Thank you for your consideration of our request.

Respectfully submitted,
