CC Docket 02-6
Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Washington, DC 20554

To whom it may concern:

This is a request for review of a decision made by USAC for the Adams County School District 14, BEN 142123. The appeal is in regards to the FY 2016 Application Number 161034903, FRNs 1699073292, 1699073300, 1699073312, 1699073327, 1699073334, 1699073341, 1699073347, 1699072875.

The funding was approved on 7/29/2016, however for the incorrect amounts. An appeal to USAC to correct the amounts was denied.

Adams 14 specifically requested Brocade Switches, Models ICX6450-C12, ICX6450-C24P and ICX6450-C48P as noted on the Intent to Award. The pricing for each switch model was listed on Page 17 of the Service Provider contract. An M&C error resulted in the correct model being listed on the E-Rate Form 471, but the incorrect price.

The incorrect pricing should have been noticed and corrected during PIA review however it was not.

Please fund the correct amount of this contract, as listed on the attached spreadsheet. The District followed all of the E-Rate rules to obtain this funding and there was no waste, fraud or abuse.

If you need any additional information, please do not hesitate to contact me.
